

## The Communio in Christo wishes you a peaceful Easter

This year too, Easter, the celebration of the resurrection of Jesus Christ, will be very different from what we are used to. Instead of big Easter celebrations, instead of big family gatherings, it will be quiet and contemplative for the second time in a row in view of the Corona pandemic.

As a small Easter gift, we will publish a video of a reflection by Mother Marie Therese in the media library on our homepage [www.communio.nrw](http://www.communio.nrw). It is from 6 April 1993, and in it Mother Marie Therese sets the mood for Easter, the feast of rejoicing, the feast of God's revelation.

We hope that we can give you a little joy with it. We, the Ordo Communio in Christo and the Social Institute Communio in Christo, wish you, dear Newsletter subscribers, blessed Easter days.

# A word of Mother Marie Therese

## CHRIST IS RISEN

*(3rd April 1988)*

„The Resurrection proves it: Christ and His Church cannot be imprisoned by power or by force, by unbelief or by martyrdom. Christ, the Risen One, proves that she is alive, that she is moving towards perfection. The fright of the women at the tomb was at the same time joy. Everything is taken up in faith. Love, immeasurable love, has revealed everything. Faith, the testimony and the saints assure us throughout the past 2000 years that He is risen and that we too are hurrying towards our goal, our resurrection...

The lesson of this contemplation is the certainty of faith to find an eternal future prepared in inexpressible happiness. The sufferings of Jesus and His resurrection tell us that it is easy to overcome a temptation, to stand up for one's faith, to follow one's conscience, to follow Jesus, to love one's neighbour and to do good.“
